To \_\_\_\_\_,

The San Gabriel Road Elementary School 6<sup>th</sup> Grade would like to ask for your support. We are fundraising towards 6th grade science camp, Camp KEEP. In order for our class to attend we are trying to raise approximately \$20,000, which includes the cost of bus transportation, teachers, counselors, tb & fingerprinting for the counselors, and the cost of camp for 64 students.

Camp KEEP is held at Montana De Oro and provides untraditional learning environments by scientists and naturalists while children spend four days and three nights learning about things such as:

Flora/fauna  
Topography  
Botany  
Geology

This is an opportunity for many children to get excited about science and gain confidence while being away from home, sometimes for the first time. Any way you could support our fundraising efforts is greatly appreciated, and will help allow us to make this opportunity available to all of our 6<sup>th</sup> grade students at San Gabriel Elementary.

For your reference our tax ID number is located below.

Thank you so much,

(Parent Name) & The San Gabriel 6<sup>th</sup> Grade Class
